PACKAGE REQUIREMENTS

RCMP C216 Fingerprint Form-see PDF file downloaded separately

This document is an 8"x14" fingerprint form and its use is recommended. This form does not have to be printed in color nor is it required to be printed on 8"x14" paper. Standard legal or letter size paper is preferable however i.e., 8.5"x14" or 8.5"x11". It is not mandatory that the RCMP fingerprint form is utilized, but it will speed processing as the system is designed for it.

Many police services and agencies have their own fingerprinting forms and any such form can and may be used provided it meets the basic requirements below.

NOTE: The agency used must be authorized in your jurisdiction to take your ink and roll prints

Police Stations are recommended

The Fingerprinting form should include:

1. Date prints are taken
2. Applicant's Full Legal Name, Date of Birth, Gender, Telephone Number, Current home address (outside of Canada)
3. Reason for the application (example: visa/immigration/pardon etc.)
4. The stamp, seal or name and address of the department or agency that provided the fingerprints and signature of the Fingerprint Technician
5. *10 Rolled & 10 Flat ink fingerprinting impressions are required on each Fingerprint Form (i.e. must have all the impressions that appear on the RCMP's form).

*Reference Number field is not required.

NOTE:

1. FINGERPRINTS MUST BE BLACK INK, AND CLEAN AND CLEAR ENOUGH TO DIGITIZE.
2. TWO COMPLETE SETS OF YOUR FINGERPRINT IMAGES ARE REQUIRED IN YOUR ORIGINAL APPLICATION.

Caution: IF SUITABLE FINGERPRINT IMAGES ARE NOT PROVIDED AND CANNOT BE DIGITIZED, NEW SETS WILL BE REQUIRED. THIS WILL RESULT IN DELAYS AND ADDITIONAL COSTS. FOR CLARITY, SCANNED AND PRINTED FINGERPRINT IMPRESSIONS CANNOT BE USED. (i.e. a scan of a scan will be rejected by the RCMP, delaying your application potentially by several weeks)

THIRD PARTY CONSENT FORM

see PDF file downloaded separately

This document is used in order to give RCMP permission to mail the Canadian Police Certificate to a third party such as RED SEAL NOTARY or any other Third-Party address.

If this form is not included with your application, the RCMP must send the results of the Criminal Records Check to your address by regular mail.

When the RCMP Police Certificate is to be delivered outside of Canada, Red Seal Notary recommends that clients fill in the Third-Party Consent Form for results to be delivered to Red Seal Notary's Head office in Toronto. This will expedite the process as a copy can be sent via email and then the original couriered or mailed to you overseas for an additional fee. This will minimize wait times provided a scanned copy is acceptable while the original is in the mail.

IDENTITY VERIFICATION REQUIREMENTS

You will need to bring two different pieces of government issued identification (preferably Passport and Driver's Licence, but at least one with photo) along with a recent ID photo (Passport Sized taken within the last six (6) Months. to a Lawyer, Notary Public or Commissioner of Oaths for your Identity to be verified.

*SIN cards are NOT acceptable

They will photocopy the IDs, sign & stamp that they are true copies of your identification cards. Overseas Identification can be used, as long as it is Government issued, and your name appears in the Latin alphabet. If not, a formal translation to English or French must be included. The applicant's photo must be signed and dated by the Lawyer, Notary Public or Commissioner of Oaths at the time of ID notarization. Please refer to Sample of Certified True Copy & ID Photo Requirements Verification. Both the ID verification and the photo will be scanned and submitted to RCMP along with your fingerprints.

Photo Requirements

You must send original passport photo (see Sample below).

Passport Size Photo taken by professional Photographer.

Must be recent, taken within six (6) months of submission to the RCMP.

Plain white background.

Neutral Facial Expression (no smiling mouth closed looking straight at the camera).

Photos must show full front view of Face and top of shoulders squared to the camera head straight.

Either Black and White or Colour Photos are acceptable.
