**Re: CCRTIS Accreditation**

Red Seal Notary Inc. has successfully completed the Canadian Criminal Real Time Identification Services (CCRTIS) accreditation process, which authorizes your company to take and submit civil fingerprints electronically for Criminal Record verification (non-criminal purposes only) to the Real Time Identification (RTID) system from the following location:

**130 Albert Street, Suite A003, Varete Bldg., Ottawa ON K1P 5G4**

The CCRTIS Accreditation Program assesses the security and administrative operations of private fingerprinting companies that intend to take fingerprints for non-criminal purposes. Upon completion of the accreditation process, periodic auditing measures may be conducted to ensure that your company continues to process civil fingerprints in accordance with CCRTIS Accreditation Policy. Red Seal Notary Inc. must comply with the Accreditation Agreement in order to maintain accreditation as a Private Fingerprinting Company. Red Seal Notary Inc. is certified to operate as an affiliate of Identogo by IDEMIA and is authorized to submit electronic fingerprint transactions to CCRTIS via the Identogo by IDEMIAs' server.

We look forward to working with your company to uphold the quality and integrity of non-criminal fingerprint identification services in Canada.

Sincerely,

A handwritten signature in black ink, appearing to read "Doris Mirella".
